Short Argumentative Essay

Write a short persuasive essay about a subject that interests you. They do not have to be grand things like peace on earth. The only thing you have to do is to argue for something that you prefer over something else.

(It should be half a page, send it to therese.skytt@arlandagymnasiet.se before Friday 25th of September)

Here are some suggestions on what you can write about:

- I prefer apples over bananas.
- I prefer dogs over cats.
- I prefer football over hockey.
- I prefer breakfast over dinner.
- I prefer Zlatan over Beckham.

Questions to get help from:
- Why is this/he/she so amazing?
- What arguments do you have?
- Can you see how others might think differently?
- Why are your arguments still true though?
