Listening No:2

We will carry on with some listening. But this time it is a bit different from the last time.

You have been given a number, that number is the number of the clip you will watch. You find the clip below.

I want you to work in pairs. Watch the clip and write a summary, maximum 40 words, of what the clip is about. Prepare to tell the others what the clip is about when we get together in smaller groups. You have to be prepared to present it the next lesson.

You need a computer, earphones, an empty word document and a good mood.
